The daylong seminar is scheduled to be held on 6<sup>th</sup> July at 10 AM at the ITER Computer Centre, Bhubaneswar.

We propose to bring out a souvenir. We would like a notes between five and seven pages detailing the work done by you. Published in our Souvenir, this will be a model and path finder for all researchers. I would request that this statement is sent to us in the next three days, so that it finds place in the Souvenir.

With warm personal regards,

Yours sincerely,
