(c) The undisbursed funds of Rs. 1,79,81,888/- as at 31 March 2019 (net of excess applied amounting to Rs. 48,04,244/-) is subject to confirmation by the respective donors.

(d) The excess applied of Rs. 48,04,244/- represents cases wherein the expenditure incurred by the Society towards specific projects have exceeded the grant received against the respective projects.

(i) The grant towards 'Harnessing Big Data to meet the Sustainable Development Goals Building Capacity in the Global South' from LIRNEAsia is for a period of 24 months from 01 January 2018 and the grant is scheduled in 5 installments. The Society has received 3 installments are the schedule and the two installments are due to be received in financial year 2019-20. Accordingly, the amount spent in excess of the grant amount are adequately covered by the subsequent installments.

(ii) As per the Project Agreement with Azim Preniji University, the donor will reimburse the expenses incurred upto specified limits as per the Agreement, as amended. The Society has received the reimbursement for the expenses incurred upto 31 March 2018. The amount spent in excess of the grant represents expenses incurred by Society during the period April 2018 to March 2019 which will be reimbursed by the donor during the financial year 2019-20.

(e) During the year the Board of the Society has decided to recognize the unspent specific grant amount of Rs. 13,15,084/- (1 project) as income in income and expenditure account. Further the Board also approved to recognized excess expenditure over specific grant amounting to Rs. 13,15,084/- (4 projects) as expenditure in income and expenditure account. Further the Board also approved to recognized excess expenditure over specific grant amounting to Rs. 13,15,084/- (4 projects) as expenditure account.

(f) From time to time, the Society receives grants from private corporations like Facebook India Online Services Pvt Ltd, Google India Pvt Ltd, etc., to carry out research. Unlike foundations which provide grant letters for research, companies provide 'gift letters' or 'letters of support' for the disbursement of funds. Though structured as a 'gift letter' or 'letter of support', the work has defined outputs and deliverables, timelines, and a budget just like a grant letter. The gifts or support are not given in exchange of services or products but to support research and/or educational endeavors similar to Grants from foundations. The Society uses the funds towards salaries and research costs as well as administrative costs of furthering project and organisational requirements in similar areas of research, as per the understanding with the comportes. Accordingly, these funds are considered as earmarked grants and are set rowards made as per Note 10 (c).

(g) During the year the Society has received grant from various parties as sponsorship of the State of Map - Asia event. The donor wise break up is as follows

| TOTAL | Rs. 1 | ,663,406/- |
|------------------------------------|-------|------------|
| (v) Opencage Data Ltd | Rs. | 65,640/- |
| (iv) Mapillary AB | Rs. | 206,863/- |
| (iii) Mapbox Inc | Rs. | 337,833/- |
| (ii) Grabtax Holdings PTE LTD | Rs. | 363,070/- |
| (i) Facebook India Online Services | Rs. | 690,000/- |

The grant is received towards sponsorship of a specific event and as such no specific agreement / contract was entered into with the individual sponsors considering the nature and value of the sponsorship. The management considered these to be in the same nature as earmarked grants and accordingly these have been accounted under the fund accounting system as per Note 10 (c).
